International Cooperation Confirmation

MEMORANDUM OF UNDERSTANDING BETWEEN POLISH AND INDIA REGISTRATION SYSTEMS

in the Fitness Industry
(REPs Poland and REPs India)

This document constitutes an agreement between the registration systems for Instructors and Trainers within the fitness industry in Poland and India Its purpose is to facilitate the free movement of professionals between our respective countries, thereby benefiting both clients and professionals.

The key elements of this agreement include:

- *Mutual recognition of certificates and accreditations issued by the registration systems in Poland (REPs Poland) and India (REPs India), enabling Trainers and Instructors to register in both systems.*
- *Sustaining cooperation through information exchange, sharing of best practices, and collaborative efforts to enhance standards within the fitness industry.*
