REPs Polska

Dear Ms. Wolak,

We are pleased to confirm that REPs Polska remains a full member and is in good standing with the International Confederation of Registers for Exercise Professionals (ICREPs).

As you know, ICREPs is an international partnership between registration bodies around the world that register exercise professionals. Our mission is to expand, strengthen, and support a network of recognised national registers that verify the qualifications of exercise professionals for distinct roles in health and fitness. Your membership helps us fulfill our mission every day.

Thank you for your continued commitment to ICREPs.

Sincerely,

Thomas Richards
